

March 12, 2020

Dear Peace family:

Peace Lutheran Church and School is committed to the well-being of its people. Increased wellness practices are being exercised within the church and school setting. After prayer and discussion among our congregation and school staff and leadership, we commit to the following:

We will refrain from hugs and handshakes. Regrettably, we will forego our typical greetings for the time being. Human contact is an important part of our life together. A hug has the ability to convey the love of Christ. For now, an elbow bump or friendly wave will need to suffice. This always remains true: if you are sick, please stay home.

We have careful procedures for our celebration of The Lord's Supper. Pastor and communion preparers/distributors will disinfect just prior to communion. We will use individual communion cups, suspending the common cup for the time being.

We have professional cleaning services for our church and school building. In addition to the regular cleanings of our facility, we are taking precautionary measures through additional sanitization and disinfecting.

We are aware of, and are keeping updated on, developing news surrounding cases of Coronavirus (COVID-19). We understand that they are concerning. We are monitoring the situation and the official recommendations of the Michigan Department of Health and Human Services, the Macomb County Health Department, and the Center for Disease Control.

School assemblies and field trips will be considered week by week. Our faculty and school staff have been preparing for online learning, should school closings occur. At this time, we have no plans to cancel church services. However, our church staff is working on actively preparing for online worship opportunities, should the need arise. In the meantime, audio recordings of sermons are always available through the app.

In all things, even in trying times, God is in control.

In His service,
Peace Lutheran Church and School
