

STEPS TO ENROLLMENT for K-8

1. Tour the school and/or attend an enrollment event, such as an open house. Meet with the Principal to ask questions or share concerns your family may have. You are encouraged to bring your prospective student with you.
2. Submit the online enrollment application through the enrollment link. Open enrollment begins February 15th. Here is the link to enroll:

3. Click on "Registration" on the left side of the screen. Complete the form. As soon as you have completed it, you may access additional needed forms by clicking "links" on the left side of the screen. Once you submit, the office is notified of your application.
Please note: Athletes must have a health/sports physical dated after April 15th and before the first practice of the sport. All others may have a health physical from within a year.
4. New families must pay their enrollment fee by cash or check in the school office. Your child's spot will not be saved until we receive this payment. Necessary enrollment forms found under "Links" on the left side of the screen, should be submitted with the payment, if possible. Birth certificates are required at this time to enroll in preschool and kindergarten.
5. If there are any questions or the class roster is full, your family will be contacted to clarify what is needed or to offer a place on the waiting list for the class.
6. Once you are all set, you will receive Fast Direct Login information. Thanks for your interest in Peace Lutheran School!
