

Thank you for using Peace for your event!

Before leaving, please be sure all tables and chairs are returned to the storage area, stacked neatly, and all items are returned to their proper place.

Please be sure all dishes are done, floors swept and mopped if needed.

All trash should be taken to the dumpster and cans replaced with new trash bags.

Lights should be turned off and doors locked and alarm set.

Thank you. If you have any questions, or if an emergency arises, you can call Tom at (586) 876-1027
